

Questions and Answers about *40 Days of Love*

What will we need to do?

- Distribute *40 Days of Love* brochures in a service and invite members to pray daily for forty days.
- Inform your members about prayer gatherings available from 9/9-9/19 and encourage some level of participation
- Provide copies or a link for a daily devotional guide for use during the first ten days

What ELSE can we do?

- During or after the *40 Days*, offer participants FREE copies (provided) of the *Jesus* film DVD to gift to those they have been praying for.
- Consider some kind of financial donation to the *40 Days of Love* expenses (church gift, love offering, or other). No amount is required, but some contribution is encouraged.

What will TOGETHER provide?

- Enough brochures for each worshiper.
- First love “Experience God’s Love” ten day devotional for distribution
- A list of all of the unity prayer gatherings in the area for your publication and invitation
- Free *Jesus* film DVDs for the friends of your participants
- Information about an optional *40 Days of Love* devotional book available for use during the forty days.

Who else is involved in doing this?

- Various other churches throughout New England
- Church partnerships in cities across America
- The Mission American Coalition
- International church groups

Why those dates?

- Dates have been selected to align the first ten days with the ten days between the Biblical feasts of Rosh Hashanah and Yom Kippur
- The first ten days replicate the early church experience of ten days of prayer preceding Pentecost.

Is this just for this year?

- The TOGETHER leadership is committed to a multi-year strategy. *40 Days of Love* is the most foundational step in helping all of our churches to become more outwardly focused, and all believers to become intentional and prayerful about personally advancing the gospel in their sphere’s of life. 2018 is “year one” of this strategy.
