By now, you may have heard of the Hope Day Network and Convoy of Hope. We're inviting local pastors and ministry leaders to gather and explore how you or your church might participate—by facilitating, co-facilitating, or serving on the Hope Day team.

Hope Day is a catalyst event that unites churches in service, evangelism, and discipleship by meeting practical needs in our community and building lasting relationships. This is a significant collaborative effort, and we'd love your prayerful consideration.

Please join us for brunch to learn more and see if—and how—you might be involved.
